www.TEAMwmi.org

TEAM is an all-inclusive 501(c)(3) human rights organization with the Mission Statement:

Our mission is simple: human rights for every man, woman, and child, as part of a 21st century human rights agenda.

Founding...

The Tolerance, Equality, and Awareness Movement (TEAM) was founded in November 2009 and became incorporated through the State of Michigan in March 2010. TEAM became a 501(c)(3) tax-exempt nonprofit human rights organization in September 2011.

Some things we do...

We address a variety of human rights causes through discussion panels, community events, protests and counter-protests, and general support for the community.

Collaboration...

We have made a number of allies along the way through collaborating and establishing partnerships, building bonds, and creating dialogue with our community on an all-inclusive, 21st century human rights agenda.

We are launching our membership program to fund our projects, programs, and work within the community.

We address a variety of causes, including: human trafficking, poverty, women's rights, civil rights, LGBT rights, diversity and inclusion, health topics like childhood obesity, HIV/AIDS, food and water, and any topic pertaining to the 30 human rights.
